---

The Court orders that the motions to remand pursuant to MCR 7.211(C)(1) are DENIED for failure to persuade the Court of the need to remand at this time. It appears that the claim of ineffective assistance of counsel may be effectively reviewed on the current record and the judgment of sentence may be amended on stipulation of the parties. The trial court retains jurisdiction to amend the judgment of sentence on stipulation of the parties, see MCR 7.208(A)(2), and the prosecution appears to concede that defendant is entitled to additional credit for time served prior to sentencing.
